CORE SKILLS

Digital Platform Deployment & Rollout | Product Lifecycle Management | URS & UAT | Systems Integration | Performance Monitoring & Reporting | Agile Backlog Support | Stakeholder Collaboration | SLA & Incident Management | Training & User Adoption | KYC & Regulatory Compliance | Customer Journey Mapping | Inventory Management

PROFESSIONAL EXPERIENCE

Platform Delivery & Support Specialist

Nov 2024 – Mar 2026

Safaricom Telecommunications Ethiopia PLC | Addis Ababa, Ethiopia

- Delivered digital platform roll outs by ensuring system readiness, executing deployments, and achieving 95% user adoption within the first month while improving operational efficiency by 30%.
- Owned the full product lifecycle through to launch. Turned stakeholder input into a clear product vision and prioritized requirements for teams to build from.
- Led the successful delivery of a digital product by coordinating the integration of multiple systems including CRM, payment platforms, Mobile App, Web App, and back-end services, ensuring seamless data flow and end-to-end functionality.
- Liaised with business users, engineers, and external vendors to deliver platforms while resolving system performance issues within SLA.
- Executed UAT and supported go-live activities to ensure smooth deployments with minimal disruption, while tracking platform performance and driving data-informed operational improvements.
- Designed and delivered training workshops and end-user guides for 200+ users, significantly enhancing platform usability and sustained adoption.

Retail Experience Executive

Jul 2022 – Nov 2024

Safaricom Telecommunications Ethiopia PLC | Addis Ababa, Ethiopia

- Managed 50+ daily customer interactions, delivering support across Telecom and M-PESA services including onboarding, account updates, transactions, and payments.
- Increased sales performance by identifying customer needs and using up-selling and cross-selling skills to achieve 100% of monthly targets across Consumer and Enterprise segments.
- Maintained 100% KYC compliance, resolved customer issues within SLA timelines, and managed inventory with full system-to-stock alignment.

Sales Operations Support Team Lead

Nov 2021 – Jun 2022

MultiChoice Ethiopia | Addis Ababa, Ethiopia

- Led a team supporting 50+ field sales agents, ensuring efficient system usage, operational coordination, and SLA compliance for escalated issue resolution.
- Developed tracking mechanisms for decoder sales, activations, and team tasks, enhancing performance monitoring and operational visibility.
- Trained 10+ team members and field agents on platform usage and operational procedures, and reduced payment errors by improving subscription payment processes.

Customer Service Representative

Aug 2020 – Nov 2021

MultiChoice Ethiopia | Addis Ababa, Ethiopia

- Assisted 80+ customers daily with service requests, account support, and product inquiries, maintaining high service standards and resolving complaints efficiently.
- Trained and mentored new staff on service procedures and best practices, improving onboarding consistency and service quality across the team.
- Processed subscription payments, issued receipts, and managed sales inventory with 100% alignment between system records and physical stock.
